

Reindeer Craft

Materials you will need:

- 1 burned out Christmas bulb (C7 or C9 size)
- 1 pipe cleaner
- 1 jingle bell
- 2 google eyes
- 1 red pom-pom nose
- snips
- glue

- 1) Photo of Materials
- 2) snip pipe cleaner in half
- 3) Cut the half pipe cleaner in half. You will have 1 half and two quarter lengths.
- 4) Slide the jingle bell to the center of the long (half length) pipe cleaner.
- 5) Bend/wrap the pipe cleaner around the top of the bulb.
- 6) Twist in back to secure. Spread ends out to sides when finished.
- 7) Twist short (quarter length) pipe cleaners to center of either side of the pipe cleaner attached to the bulb to make the antlers.
- 8) Put 3 small dots of glue on the bulb where you would like the eyes and nose.
- 9) Place the google eyes and nose on the dots of glue.
- 10) Arrange the antlers how you'd like and you are done!

If you'd like it to be a tree ornament, you can glue on a hook using a paper clip. If you'd like to make it a pin, glue on a craft pin back to the back at Step 4.
