A MESSAGE FROM GREG GICZI President and GM, WNIT Public Television

Dear WNIT Supporters:

We can all take a deep breath now that the new episodes of *Downton Abbey* have premiered! It seems “D.A.” was a frequent topic at the holiday parties I attended in December – there was much anticipation for the new episodes. Thanks to all of you for your enthusiasm, viewership and support of Michiana PBS, WNIT.

During December, we sent out a letter asking you to consider an end-of-year additional gift to WNIT. Many of you responded. Thank you! This additional gift allowed us to purchase some extra programming which you will soon see. One of those programs, *Father Brown*, is a series of British mysteries based on the character created by novelist G.K. Chesterton. Look for our *On The Cover* article in this edition of the *WNIT Planner*. *Father Brown* begins Thursday, March 19 at 8pm on WNIT.

March is a big month for some great additional programs to please regular viewers and attract new ones. Although launched on February 28, *My Music Presents: Motown 25* is a fun-fun show that will put a smile on your face and a beat in your step. We have scheduled it a few times during March. *The Texas Tenors: You Should Dream* special returns during the first part of the month. They put on a great concert in Shipshewana last August and WNIT viewers had the best seats. They will return to the area at Elkhart’s Lerner Theater on May 17, and we will have prime seat tickets as well as a limited supply of passes to meet the Texas Tenors before the show. Also, Michiana PBS, WNIT, will air the entire four part series *The Italian Americans*, Sunday, March 15.

Sadly, cancer seems to touch every family. Ken Burns’ new documentary *Cancer, The Emperor of All Maladies* comes to WNIT as a 3-part series on March 30-31 and April 1. This production is a riveting historical documentary, an engrossing and intimate verity film, and a scientific and investigative report. It is enthralling, emotional and important to see.

Finally, I want to call your attention to one particular documentary that is one in a series of veteran-related documentaries you will see on Michiana PBS, WNIT, in the next year plus. *American Experience: Last Days in Vietnam* airs Tuesday, April 28. I saw some early clips of this program almost a year ago. It is very powerful.

I can’t seem to stop talking about all the great programming coming our way in the next few months. Please take advantage of it! Thank you to everyone for your viewership and support. All these good things happen because of you.

Sincerely,

Greg Giczi
President & General Manager

ON THE COVER

FATHER BROWN: SEASON 1

WNIT Public Television proudly presents FATHER BROWN starring Mark Williams as the Catholic priest who also happens to have a particular talent for solving crimes. Based on the short stories by G.K. Chesterton, Father Brown follows this kindly cleric as he solves crimes in his community. Many years spent hearing parishioners' confessions have given him an uncanny insight in to the origins of evil and the workings of the criminal mind. Each episode sees the enigmatic priest investigate a crime in his own particular way, using intuition and psychology.

MEMBERSHIP CORNER

March 2015 Spring Membership Campaign

WNIT's Spring Membership Campaign begins Friday, February 27 and runs through Sunday, March 15. Our on-air Membership Campaigns remain the most effective way of encouraging viewers to join the WNIT family of supporters. While these drives represent less than two percent of our annual broadcast hours, they do provide WNIT with the majority of revenue required to purchase and produce the regular and local programming enjoyed by everyone throughout northern Indiana and southwestern Michigan.

So get ready to experience an interesting and informative line-up of special programs for the entire family. And be sure to tell your family and friends why you think supporting WNIT is important. It's *Viewers Like You* who make a real difference to everyone in our community.

Thank you for supporting WNIT!

WNIT eNews

IN MEMORIAM

James N. Bieneman

WNIT would like to honor the memory of James N. Bieneman, who passed on January 31, 2015. Jim was very supportive of the WNIT Directors' Circle and a great family man and friend. He was a lifelong summer resident on Diamond Lake in Cassopolis, MI and a man of many interests including sailing, hiking, competitive squash, golf and biking. WNIT extends its condolences to the family and is honored to have known Jim and benefitted from his support.

Dr. Dane Miller

WNIT lost a great friend, supporter and advocate for Public Television with the passing of Dr. Dane Miller on February 10, 2015. Throughout the years Dr. Dane and Mary Louise have been instrumental in making WNIT what it is today. WNIT sends its deepest condolences to Mary Louise and the entire Miller family. We are honored to have known him and felt the love, support and generosity that he provided this station and community for many, many years.

Jane Warner

WNIT was saddened at the passing of founding board member Jane (Mrs. E. Blair) Warner. Jane worked tirelessly to help establish WNIT Public Television and her spirit of creativity, energy and great fun helped make WNIT the station it is today. We are grateful for all she did over 40 years ago to launch public television in Michiana, and for the lasting effects her legacy will continue to have on this station and the Michiana community. WNIT extends its deepest condolences to the entire Warner family and its most sincere thanks for all she has done.

PRODUCTION NEWS

American Experience Presents Academy Award® Nominated Documentary *Last Days in Vietnam*

During the chaotic final days of the American involvement in the Vietnam War, as the North Vietnamese Army closed in on Saigon, South Vietnamese resistance crumbled. City after city and village after village fell to the North while the U.S. diplomats and military operatives still in the country contemplated withdrawal. With the lives of thousands of South Vietnamese hanging in the balance, those in control faced an impossible decision—who would go and who would be left behind to face brutality, imprisonment, or even death. At the risk of their careers and possible court-martial, a handful of individuals took matters into their own hands. Engaging in unsanctioned and often makeshift operations, they waged a desperate effort to evacuate as many South Vietnamese as possible.

Last Days in Vietnam premieres Tuesday, April 28th at 9pm on WNIT.

New Ken Burns Film, *Cancer: The Emperor of All Maladies* to Air March 30-April 1

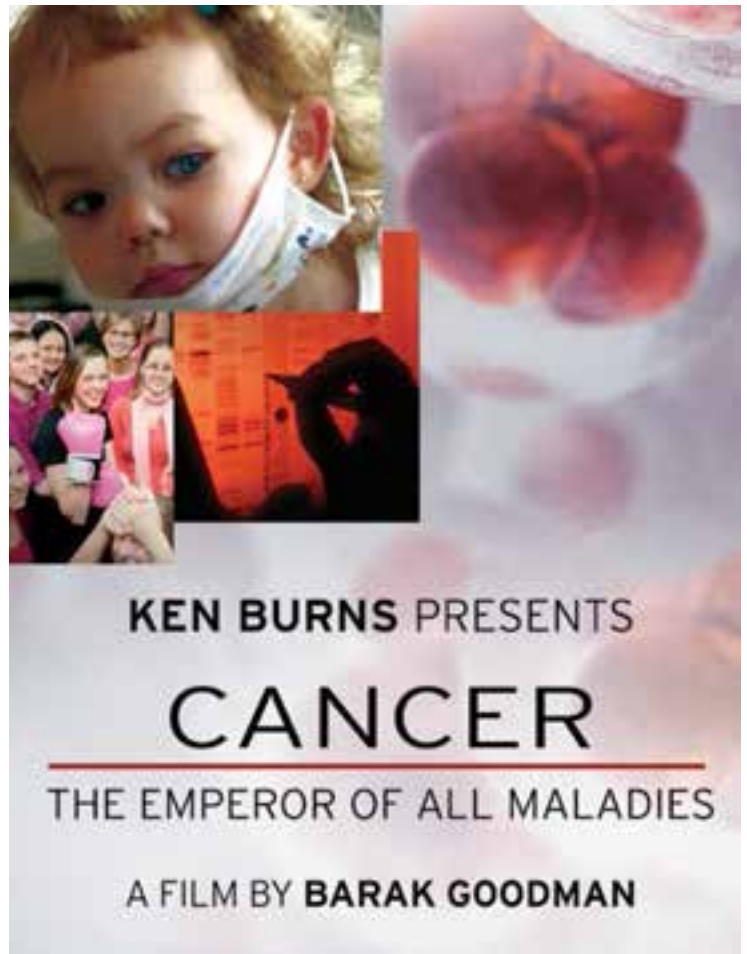

Cancer: The Emperor Of All Maladies tells the comprehensive story of cancer, from its first description in an ancient Egyptian scroll to the gleaming laboratories of modern research institutions. At six hours, the film interweaves a sweeping historical narrative with intimate stories about contemporary patients, and an investigation into the latest scientific breakthroughs that may have brought us, at long last, within sight of lasting cures. Based on the Pulitzer Prize-winning book *The Emperor of All Maladies: A Biography of Cancer* by Siddhartha Mukherjee, M.D., this three-part major television event artfully weaves three different films in one: a riveting historical documentary; an engrossing and intimate vérité film; and a scientific and investigative report.

Watch Cancer: The Emperor of All Maladies March 30-April 1 on WNIT.

WNIT and the University of Notre Dame Form New Partnership!

WNIT is proud to announce a newly formed partnership with the University of Notre Dame. New technology between both WNIT and Notre Dame has allowed both entities the opportunity to share and provide, between one another, new programs to Michiana area residents. Greg Giczi, President & General Manager of WNIT said, “WNIT is excited by this new interconnection between the University of Notre Dame and the WNIT Center for Public Media. This fiber optic link and partnership with WNIT will allow the University to extend its rich educational and cultural programs beyond a campus auditorium to all of Michiana. As we take these initial small steps we look forward to expanded offerings.”

If you would like to receive program updates and new information on this partnership please send your email address to wnit@wnit.org.

It features the text "wnit" in a bold, lowercase, sans-serif font, with "local productions" in a smaller, lowercase, sans-serif font directly beneath it. The logo is positioned in the lower-left quadrant of the main title graphic.

The curtain is rising on Season 3 of the area's premiere talent contest – Michiana's Rising Star. WNIT is currently reviewing audition tapes to determine who will be invited to one of four regional competitions this spring. Want to be considered? Here's all you have to do:

- ✓ GO TO WNIT.ORG/RISINGSTAR
- ✓ DOWNLOAD AN AUDITION REQUEST AND FILL OUT THE FORM
- ✓ SUBMIT YOUR AUDITION VIDEO VIA DVD OR OUR WEBSITE LINK

Entering is that easy. But hurry. Deadline to receive all entries is March 28. We're going to find Michiana's next rising star.

Who knows? It could be you!

SUPPORTER SPOTLIGHT

MICHAEL KUBACKI

This month, WNIT shines the Supporter Spotlight on Michael Kubacki, Lake City Bank Executive Chairman and long-time Directors' Circle member. Michael has shown his commitment to WNIT with his generous contributions as well as having served on the WNIT Board of Directors and opening up his home along with his wife, Rebecca, to other Directors' Circle members for various events.

WNIT would also like to congratulate Michael on being named "Indiana Business Leader of the Year" by the Indiana Chamber of Commerce. During his 16 years as CEO, Lake City Bank increased its assets from \$800 million to \$3.2 billion. Kubacki led a team that expanded efforts beyond its home of Warsaw by establishing regional centers in South Bend, Fort Wayne and Indianapolis. He also introduced a formalized training program called Lake City University.

WNIT proudly salutes Michael Kubacki for his sustained support of WNIT and congratulates him on his recent honor.

DIRECTORS' CIRCLE

The WNIT Directors' Circle represents a very dedicated and select group of individuals who, by their commitment, contribute to the total annual support which is the foundation of WNIT's operating budget. These essential annual contributions make possible the great programs that everyone in Michiana enjoys.
