

Peanut Butter Paws Cake

For the Cake:

3 cups whole wheat flour
3 teaspoons baking powder
1 cup natural peanut butter (xylitol-free)
1 cup unsweetened applesauce
2-3 cups water
2 teaspoon vanilla extract

For the Frosting:

2 ripe bananas
1/4 cup unsweetened apple sauce
4 tablespoons natural peanut butter (xylitol-free)

Instructions:

Preheat your oven to 350°F Grease a small cake pan or line it with parchment paper.

In a mixing bowl, whisk together the whole wheat flour and baking powder.

In another bowl, combine the peanut butter, applesauce, water, and vanilla extract until smooth.

Gradually add the wet ingredients to the dry ingredients, stirring until well combined. You may need to add more water to achieve a cake batter consistency.

Pour the batter into the prepared cake pan and smooth the top with a spatula.

Bake in the preheated oven for 25-30 minutes or until a toothpick inserted into the center comes out clean.

Allow the cake to cool completely before serving it to your furry friend. You can also spread a thin layer of peanut butter on top as frosting.

To make the Frosting:

Add all ingredients to a bowl and beat with a hand mixer or stand mixer until smooth and thick.

Wait until your cake is completely cooled and then frost with a cake froster or spatula.
