

Paper Bag Owl Puppet

You'll need:

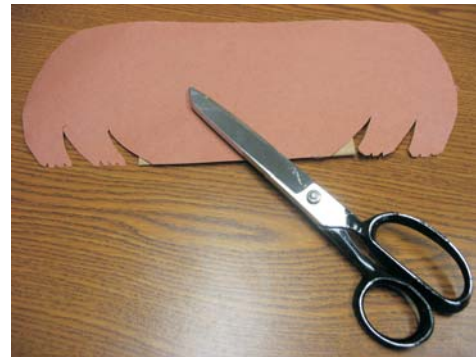

- Brown paper lunch sack
- Crayons or markers
- Brown Construction paper
- Glue
- Scissors
- Photos of owls for coloring ideas

Cut a 4 ½-inch x 11-inch rectangle from the construction paper. Round off the corners and cut a fringe along one long edge to indicate feathers. Using the markers or crayons, color the wings.

Glue to the back of the bag.

Cut a diamond shape from the construction paper, and fold in half for the beak. Glue the back half of the beak to the edge of the bottom of the bag.

Color the paper bag to resemble an owl.
