A MESSAGE FROM GREG GICZI President and GM, WNIT Public Television

Happy Spring Everyone!

My first two months at WNIT have been a whirlwind of excitement!

I've spent a great deal of time listening. Listening to our staff, listening to the WNIT Board members, listening to our Community Advisory Council, and listening to the person in front of me at the supermarket.

It's all been positive. I now have a better understanding of how strongly you feel about the role of public media in our communities.

That doesn't mean I'm going to sit around in my office all day and enjoy the view out the window. But, if you catch me staring out that window, it's because of the vision I have for WNIT. We're not just going to be good, nor just great. I want us to be "essential."

Essential, as the leading media provider of education for your children. Essential, as the presenter of artistic performance and information. Essential, as the center for civil political discussion. And, essential in your lives to balance-out all the entertainment choices you have with programs that contribute to your lifelong learning.

I hope you have had a chance to watch our new *Big Questions* series of programs, Mondays at 10pm. These programs are produced at DePaul University, Chicago, and WNIT is serving as the "presenting station" for a hopeful regional or national launch. We're very excited about being part of this series and have been working closely with the DePaul University team.

Glancing through your new *Planner*, you will find it loaded with many great programs to stimulate your intellect. And, I take great pride in pointing out that it's PBS and WNIT viewers turn to for Memorial Day and Independence Day celebration special programs. We devote an entire evening to recognize these two important American holidays. In fact, I think these two programs have become "essential" for our viewers.

I can never close without a note of appreciation. Your ongoing support of WNIT means so much to achieving our goals. Thank you, so much.

Sincerely,

Greg Giczi
President & General Manager

JESSE JAMES:

AMERICAN EXPERIENCE

TUESDAY, MAY 7, 8PM

The story of Jesse James remains one of America's most cherished tales ... and one of its most fictitious. James, so the legend goes, was a western outlaw, though, in fact, he never went west; America's Robin Hood, though he robbed from the poor as well as the rich; a gunfighter, though his victims were almost always unarmed. Less heroic than brutal, James was a member of a vicious band of Missouri guerrillas during the Civil War. With a life steeped in violence and bloodshed, he met what was perhaps the most fitting end.

CONSTITUTION USA

WITH PETER SAGAL

TUESDAYS, MAY 7-28, 9PM

"A MORE PERFECT UNION"

– MAY 7

Sagal explores the Constitution's most striking and innovative feature: its resilient brand of federalism. The framers created a strong national government while preserving much of the power and independence of the states. This delicate balance of power, seemingly hard-wired for disagreement and conflict, has served America well for more than two centuries.

MAY

Nature: Great Zebra Exodus

Jake Shimabukuro: Life on Four Strings

“IT’S A FREE COUNTRY” – MAY 14

Ask Americans what the Constitution’s most important feature is and most will say it’s the guarantees of liberty enshrined in the Bill of Rights. In this episode, Sagal explores the history of the Bill of Rights and addresses several stories — ripped from the headlines — involving freedom of speech, freedom of religion and right to privacy.

“WE THE PEOPLE” – MAY 21

The high ideals of the Declaration of Independence that “all men are created equal” didn’t make it into the Constitution in 1787. It took three-quarters of a century, and a bloody civil war, before the Fourteenth Amendment of 1868 made equality a constitutional right and gave the federal government the power to enforce it.

“BUILT TO LAST” – MAY 28

Sagal considers why our own founding document has lasted more than 225 years. He looks at the systems that have kept the Constitution healthy — amendments, judicial interpretation, checks and balances — and also at the political forces that threaten to undermine the framers’ vision: excessive partisanship leading to gridlock, money in politics and gerrymandering.

NATURE WEDNESDAYS, 8PM

“THE PRIVATE LIFE OF DEER” – MAY 8

From coast to coast, some 30 million white-tailed deer make their home in the United States. Deer are the most highly studied mammals in the world, but does the typical homeowner with deer in the yard know how long deer can live? When they sleep? How many babies a doe can have each year? The white-tailed deer are not common backyard creatures, but intelligent, affectionate family members.

Underwritten by Martin’s Super Markets

“GREAT ZEBRA EXODUS” – MAY 15

When thunderclouds begin to gather over Botswana’s Kalahari each year, 20,000 zebras get itchy feet. As the first fat raindrops hit the dust, southern Africa’s biggest animal migration gets underway. In a never-ending quest for grass and water, the striped herds undertake an annual epic trek across the vast lunar landscape of the Kalahari’s Makgadikgadi Pans. This film reveals their trials and triumphs as well as the fascinating social bonds that hold zebra families together.

Underwritten by Martin’s Super Markets

“THE WHITE LIONS” – MAY 22

This is the story of two remarkable and extremely rare white lion cubs on their journey to adulthood. Both are female, sisters born as white as snow in May 2009 in South Africa’s Kruger Park. Growing up on the savanna, they must overcome not only the same survival challenges that all young lion cubs must face, they must also overcome the threats their high visibility brings.

ANNIE OAKLEY: AMERICAN EXPERIENCE
TUESDAY, MAY 14, 8PM 

Annie Oakley, the star of Buffalo Bill’s Wild West Show, thrilled audiences around the world with her daring shooting feats. Although famous as a western sharpshooter, Oakley lived her entire life east of the Mississippi and opposed female suffrage.

PRODUCTION NEWS

Our Town: Elkhart Set For Production

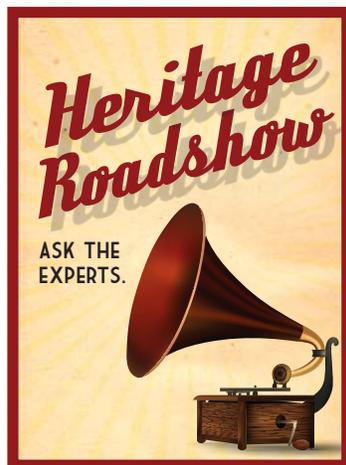

The City of Elkhart will be the next feature in the highly successful Our Town series. Volunteer videographers will be trained in June to shoot the footage that WNIT staff will then edit into a coherent, one-hour documentary. Once edited, a preview event in Elkhart in July will take place prior to an on-air premiere during our August Membership Campaign.

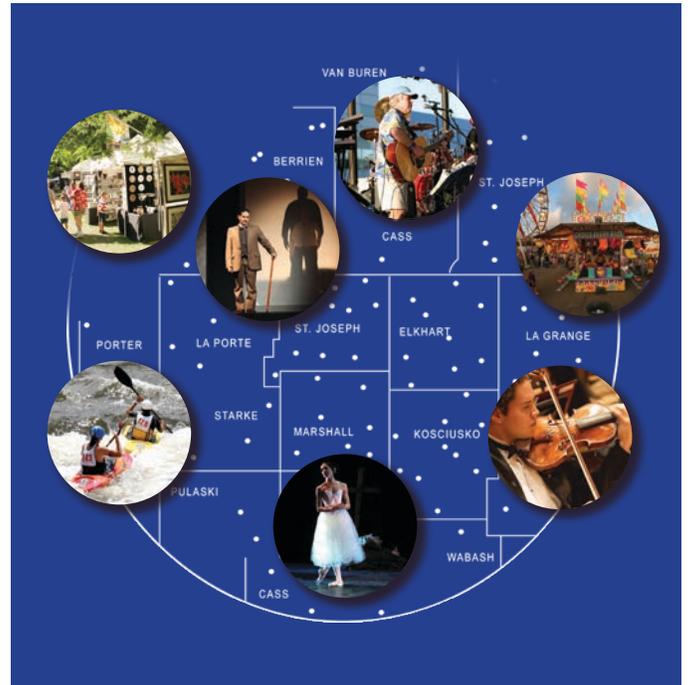

For more information about becoming a videographer, contact Brian Lewis, producer, at blewis@wnit.org.

Heritage Roadshow Returns

WNIT will hold its 2nd annual Heritage Roadshow at Heritage Square on Saturday, June 1. A second Roadshow will be held at the Center for History on August 17. Plan to bring in a treasured item for evaluation!

Regional Mobile Unit Getting Ready to Hit the Road

The regional mobile unit will allow WNIT to broadcast live from all corners of the coverage area.

WNIT expects to have its regional mobile unit in place by early summer. The system will enable the station to broadcast live from most locations within our coverage area. For example, live remotes will now be possible from such events as the Plymouth Blueberry Festival, the Krasl Art Fair on the Bluff in St. Joseph and the Elkhart Jazz Festival. It will be a wonderful addition to WNIT's capabilities!

Thanks to the following individuals and organizations which helped to fund the Regional Mobile Unit:

*The Welter Foundation
Wells Fargo Trust
Frederick S. Upton Foundation
Graham-Allen Partners
Peggy Weed
Garatoni Family Foundation*

*Kurt Simon
Ann and Fred Dean
David Weed
Thomas and Dorothy Corson
William J. and Lorrie Schmuhl*

MEMBERSHIP CORNER

June 2013 Summer Membership Campaign

WNIT will be holding a Summer Membership Campaign from Friday, May 31 through Sunday, June 9. Our on-air Membership Campaigns remain the most effective way of encouraging viewers to join the WNIT family of supporters. While these drives represent less than 2% of our annual broadcast hours, they do provide WNIT with the majority of revenue required to purchase and produce the regular and local programming enjoyed by everyone throughout northern Indiana and southwestern Michigan.

It's Viewers Like You who make the transition to a contributing member of WNIT who make a difference to everyone in our community. THANK YOU for making that transition and supporting WNIT!

Thank You Gifts

If you requested a thank you gift with your membership contribution, you can expect it to arrive four to six weeks after we process your payment. If you have a question or inquiry about your thank you gift, please send an email to cmccraner@wnit.org or jschloss@wnit.org with *Thank You Gift* in the subject line.

Giving Made Easy: Become a Sustainer Member!

Consider a monthly ongoing sustaining gift. It's an easy and convenient way to show your support. Instead of giving one lump sum of \$60 or \$120 every year, you can contribute \$5 or \$10 a month – or any amount you choose. It's up to you as to how much you want to give. Plus, we stop when you tell us to – it's that simple! No matter how you give, remember that your financial support goes directly to keeping the quality programming you love on the air. We couldn't do it without your support. Start making your monthly gift today! Call the Membership Team at 574-675-9648 x311 to get started.

SOMETHING NEW FOR SEASON

Experience Michiana premiered on March 19, 2012 and has been a spectacular success ever since. Over 1,000 guests have appeared on the popular weeknight program, hosted by Gordy Young and produced by Kelsy Zumbrun. Now in its second year, each Friday evening edition of the show host Gordy Young will be joined by a different guest co-host.

Some of the special guest co-hosts scheduled to appear on Fridays include WHME Sports Director Chuck Freeby, *Michiana Crime Stoppers'* Cindy Kilgore, motivational speaker Charlie Adams, webcast host Jason Eric Mumaw and WNIT's own *Dinner & A Book* host Gail Martin.

"I'm looking forward to interacting with different co-hosts every Friday," Young stated recently. "Each co-host will bring a different kind of energy to

the program, and it will also give us an additional opportunity to highlight all the fun things happening all around our area as the weekend begins...this will be fun!"

In addition, the Friday "Weekend Editions" of *Experience Michiana* will be more focused on highlighting the many fun family activities, events and entertainment throughout the WNIT viewing area each weekend.

Experience Michiana airs weeknights at 6:30pm on WNIT channel 34.1 and at 8pm on WNIT In-Focus 34.2.

SUPPORTER SPOTLIGHT

PEGGY WEED

This month, WNIT salutes Peggy Weed for her sustained financial support of WNIT. A visit to the Center for Public Media Come illustrates the results of her generosity and that of her late husband, Robert Weed. For example, the WNIT Rod and Carol Ganey Studio contains a new kitchen made possible by Robert Weed Plywood. Robert's son, David, made the process of designing and producing the new kitchen a reality. Both David and Peggy felt the former WNIT kitchen was a bit rustic, so they suggested contributing to a new kitchen.

Peggy and Robert also contributed to the WNIT Capital Campaign. In the lobby of WNIT there is a recognition wall acknowledging the donors to the capital campaign. The Weeds made that wall possible. In addition, Peggy and David Weed contributed to the station's Regional Mobile Unit, which will permit WNIT to broadcast live from the entire broadcast region. And Peggy remains a steadfast Directors' Circle member.

Thank you, Peggy Weed, for your generous support of WNIT!

Peggy Weed

DIRECTORS' CIRCLE

The WNIT Directors' Circle represents a very dedicated and select group of individuals who, by their commitment, contribute to the total annual support which is the foundation of WNIT's operating budget. These essential annual contributions make possible the great programs that everyone in Michiana enjoys.
