A MESSAGE FROM GREG GICZI President and GM, WNIT Public Television

Hello WNIT Investors!

You can proudly say to your friends, “WNIT belongs to me!” We are “owned” by the people of Michiana. WNIT is operated by Michiana Public Broadcasting Corporation, a non-profit organization governed by a group of volunteers who are passionate viewers, like you. We only report to you and not a corporate board in New York, Los Angeles or another large city. We belong to you, dedicated to a mission of public service and education. Our board of directors meetings are open to the public – go to the “About” section of our website, WNIT.ORG, for all the details.

As we shift gears from summer to fall, we’ll be premiering the latest installment of our *Legends of Michiana* series and introducing new episodes of some of your PBS favorites. Who is our latest legend? I’ll give you a hint, “beep-beep.”

Premiering on Thursday, September 27th, at 8pm, Michiana business executive, and philanthropist Mike Leep is the focus of our newest *Legends of Michiana* program. You’ll hear Mike’s story of building a business, raising a family, and giving back to the community he loves. He sets the bar for a younger generation of leaders.

The Great American Read series begins Tuesday, September 11th at 8pm and runs through October 23rd. I’m trying to do my best to read as many books as I can on the list!

Anne of Green Gables followers will have a new episode to enjoy. Enjoy “Fire & Dew” Sunday, September 23rd at 7:30pm.

Sunday, September 30th, starting at 8pm, will be a big night on WNIT with new episodes of two PBS series. First, *The Durrells in Corfu* returns for a third season of eccentric family adventures on a Greek isle in the 1930s...then at 9pm, Aidan Turner returns as the roguish Ross Poldark. For the tens of thousands of you who follow *Poldark*, need I say more to encourage your viewership?

Have you ever watched WNIT’s second program service on antenna channel 34.2 (Comcast cable 371, Mediacom cable 120)? While we’re educating young children during the day, our second channel has programs for adults – additional programs from the PBS library during the day and repeats of our most popular programs in the evening at offset times.

Enjoy your next two months of programming on WNIT. Thanks for *investing* your viewing time with us, thanks for *investing* your financial support with us, and thanks for *investing* in yourself by watching programs which educate, inform, and inspire.

Best wishes,

Greg Giczi
President & General Manager

PRODUCTION NEWS

Legends of Michiana: Mike Leep to Air on WNIT Public Television!

The *Legends of Michiana* documentary series focuses on people and organizations that have been influential to the growth and development of the Michiana area.

Throw out the name Mike Leep. to anyone in the Michiana area, and you instantly think of a man who has been instrumental in bettering our community. Ask Mike why philanthropy is so important and he'll give you his signature phrase, "It's the right thing to do!"

Mike Leep was born in Hammond, Indiana, on September 11, 1943. He grew up in Highland, Indiana, attending Highland public schools and Ball State University. After leaving college in his sophomore year, Mike became involved in various entrepreneur enterprises in the food service industry.

In 1967 Michael entered the automobile industry as a salesman for McAnary Ford in Gary, Indiana. In 1973 Mike and his business partner, Van Gurley, had the opportunity to purchase their first automobile dealership which was a Dodge franchise in Highland, Indiana.

Mike and Van purchased a Buick franchise in South Bend, Indiana in 1977. Since that time, the Gurley-Leep Automotive Group has grown from one dealership to 36 automotive retail franchises at 22 dealership locations throughout Michiana and Northwest Indiana, Lansing, Michigan, Davenport, Iowa and Des Moines, Iowa, employing over 1,200 persons. As an Indiana automotive dealer, Michael is the past-president of the Automobile Dealers Association of Indiana.

Mike has been involved with many charitable organizations in the Michiana area, some of which are: American Cancer Society, American Heart Association, Boys & Girls Club of St. Joseph County and Center for the Homeless to name a few.

Michael Leep, his wife, Karen, and the Gurley-Leep Automotive Group's dedication to giving in this community has truly changed lives. Join WNIT as we give viewers an inside look into the life a true visionary and community leader.

WNIT is proud to present its newest installment of the "Legends of Michiana" series, featuring Mike Leep, on Thursday, September 27 at 8pm, and again, Sunday and September 30 at 6pm.

PBS Wants YOU to Join *THE GREAT AMERICAN READ*

The First-of-Its-Kind National Celebration of Books Combines Original Digital Content, Multi-Platform Resources, National Partnerships and Local Activities Taking Place in Communities Around The Country

Something "bookish" is going on, and PBS wants to encourage everyone to be a part of it. Launched this past April and continuing throughout the fall, PBS' **THE GREAT AMERICAN READ** is asking people across the country to read, vote and share in the first-ever national campaign to choose "America's Best-Loved Novel." In addition to the nationwide reading campaign, the eight-part television series returns to WNIT Public Television on Tuesday, September 11 at 8:00 p.m. The campaign encompasses a wide range of community engagement activities, as well as digital and social initiatives, all leading up to an exciting finale airing Tuesday, October 23 at 8:00 p.m. on "Your Michiana PBS Station," WNIT. Titles included on the top 100 list of America's favorite novels run the gamut from modern-day pop-culture hits to beloved children's classics that have stood the test of time; from science fiction adventures to historic literature written hundreds of years ago; from thrillers that keep us on the edge of our seats to complex personal journeys that raise challenging social issues.

THE GREAT AMERICAN READ is one of the most extensive national celebrations of books ever, and it's just getting started. To date, almost 2 million votes have been cast in America's search for its "Best-Loved Novel." Viewers are currently able to vote for their favorite titles at pbs.org/greatamericanread, through hashtag voting via Facebook and Twitter, and through SMS texting using the dedicated book hashtag that can be found at www.pbs.org/the-great-american-read/about/how-to-vote/. Viewers will also be able to cast their vote toll-free by phone when the series returns to WNIT, September 11th at 8pm.

An End-of-Year Gift is an investment in the future of WNIT

WHAT TO GIVE

There are many different legacy gifts of any size, that will make a lasting impact on WNIT and our mission. Speak with your attorney or financial professional to see which option makes the most sense for your plans. Below are several ways to support public television now and in the future.

- **AN OUTRIGHT GIFT OF CASH**

An outright gift of cash is simple, and one of the most popular methods of giving. An immediate gift offers a charitable tax deduction, and a gift through your will may allow your estate to claim a tax deduction.

- **PUBLICLY TRADED STOCK**

A gift of stock can provide attractive tax savings, often at a value higher than what you paid for it. You can also avoid capital gains tax when you donate, rather than sell, appreciated stock.

- **REAL ESTATE**

A gift of real estate—which may be land, a personal residence, a vacation home, or rental property—can offer the opportunity to make a large planned gift, to avoid income and estate taxes, and to minimize the burdens placed on your loved ones. WNIT accepts outright gifts of real estate and gifts made in a will, trust, or estate plan.

- **LIFE INSURANCE POLICIES**

If you give outright and complete ownership of a partially or fully paid life insurance policy to a charitable organization, you can claim an immediate tax deduction. You may also name WNIT as a primary or contingent beneficiary of a new or existing policy.

- **PERSONAL PROPERTY**

A gift of tangible personal property can include items such as jewelry, artwork, antiques, vehicles, and other physical objects. Donating personal property also entitles you to a charitable tax deduction, which is maximized when you donate property that: has increased in value since the time you've acquired it; you have owned for more than one year; and the property's use is related to the purpose and work of the station.

- **RETIREMENT PLANS**

If you designate WNIT as a beneficiary of your IRA, 401(k), or 403(b), you will know that every dollar will be used for a charitable purpose and shielded from income or estate taxes. (Unless donated to charity, accounts funded with pre-tax earnings like retirement accounts - are often subject to both income and estate taxes.

- **IRA ACCOUNTS FOR AGES 70+**

A special message to those who are 70 and older. It is once again possible to make tax-favored charitable gifts from traditional and Roth IRA accounts. To make such gifts, it is important to not withdraw funds prior to a gift, but have the gift amounts distributed directly from an IRA to the qualified charities. For those with check writing privileges on their accounts, this may be the most efficient way to make gifts directly from an IRA. For more information, contact your IRA administrator or tax advisor.

SUPPORTER SPOTLIGHT

ROWAN KELLEY & AMANDA MILLER KELLEY

WNIT welcomes two of our newest Directors' Circle members, Rowan Kelley and Amanda Miller Kelley. The newlyweds live in their 120 year old home in Buchanan Michigan with their four rescue cats. Rowan currently works for the Clubhouse of St. Joseph County and is getting his Master's Degree in Mental Health Counseling. Upon leaving her job at WNIT, Amanda took a position as a major gifts officer for Brooke USA, an organization improving the welfare of working horses, donkeys and mules throughout Asia, Africa, the Middle East and Latin America.

As two young leaders in the Michiana community, one of the first things Rowan and Amanda did when they got married was sit down and determine what organizations they were going to support. In addition to being supporters of WNIT, they are involved with the Jewish Federation of St. Joseph Valley and members of Fernwood Botanical Garden and Nature Preserve. Rowan supports and volunteers with WVPE and Temple B'Nai Shalom while Amanda serves on several boards including RiverBend Cancer Services and South Bend Venues, Parks and Arts.

Having grown up with shows like *Mister Rogers' Neighborhood*, Rowan and Amanda have loved public television from a young age. They both agree that in the current climate, it is important that television, news and entertainment are accessible and widely available to everyone. You can find them enjoying any of the Ken Burns series or find Amanda watching *Antiques Roadshow*.

WNIT thanks Rowan and Amanda for their support of public television and their commitment to our community.

DIRECTORS' CIRCLE

The WNIT Directors' Circle represents a very dedicated and select group of individuals who, by their commitment, contribute to the total annual support which is the foundation of WNIT's operating budget. These essential annual contributions make possible the great programs that everyone in Michiana enjoys.
