A MESSAGE FROM GREG GICZI President and GM, WNIT Public Television

Happy Holidays Viewer-Members!

We have a lot of celebrating to do all the way from Halloween through New Years! From family holidays to faith-based holidays, WNIT will be your source of new knowledge, information, and quality entertainment.

We recently ended our fiscal year. It's always a challenge to "make budget." Thanks to all of you who gave us an extra push with your recent added donations.

WNIT has accomplished a lot this year because of your ongoing and extra support. Thanks to a group of donors, we were able to launch our 24/7 PBS Kids Channel on broadcast (34.3) and streamed on the internet. This educational channel has quickly become very popular! The improvements needed to add the kids channel also benefitted our other two channels by improving our overall picture quality. There's also a new transmitter to broadcast our WNIT signals. We've also produced a slew of local programs these past 12 months. On top of our 6 regular weekly shows, we also produced a number of special documentaries. Two of the most popular were *Legends of Michiana: Joe Kernan*, and *Studebaker Fountain: A Gift of Water and Light*.

On Sunday, November 17th, at 7pm, we celebrate the 50th anniversary of *Sesame Street*. We hope all of you "grads" of *Sesame Street* will be watching. It will be a good time to reflect how Cookie Monster influenced your life! Following *Sesame Street's 50th Anniversary Celebration* at 9pm, we will have the final episode (yes, final) of *Poldark*. I know that will be tough for some of our viewers to accept!

If you want to see a great example of the transformational power of education, watch *College Behind Bars* at 9pm on November 25 and 26. Then on the 27th, we have a regional special at 8pm, *Linking Land and Lakes – Protecting the Great Lakes Coastal Wetlands*.

Starting December 16th, WNIT on both our 34.1 and 34.2 channels will feature our own "festival" of national and local holiday concerts. There really are too many to list, so I encourage you to turn a few pages of your *WNIT Planner Magazine* and highlight the ones you want to enjoy.

For those of you who now subscribe to YouTube TV, our PBS programming is now offered on that service.

On behalf of our volunteer board of directors and all my fellow colleagues at WNIT, I want to wish you a very happy holiday season and joyful New Year (can you believe it is 2020?). Thank you for *everything* you do to support public television!

Best wishes,

Greg Giczi
President & General Manager

Legacy

**An End-of-Year Gift
is an investment in
the future of WNIT**

There are many different legacy gifts of any size, that will make a lasting impact on WNIT and our mission. Speak with your attorney or financial professional to see which option makes the most sense for your plans.

WHAT TO GIVE

AN OUTRIGHT GIFT OF CASH

An outright gift of cash is simple, and one of the most popular methods of giving. An immediate gift offers a charitable tax deduction, and a gift through your will may allow your estate to claim a tax deduction.

PUBLICLY TRADED STOCK

A gift of stock can provide attractive tax savings, often at a value higher than what you paid for it. You can also avoid capital gains tax when you donate, rather than sell, appreciated stock.

REAL ESTATE

A gift of real estate—which may be land, a personal residence, a vacation home, or rental property—can offer the opportunity to make a large planned gift, to avoid income and estate taxes, and to minimize the burdens placed on your loved ones. WNIT accepts outright gifts of real estate and gifts made in a will, trust, or estate plan.

LIFE INSURANCE POLICIES

If you give outright and complete ownership of a partially or fully paid life insurance policy to a charitable organization, you can claim an immediate tax deduction. You may also name WNIT as a primary or contingent beneficiary of a new or existing policy.

PERSONAL PROPERTY

A gift of tangible personal property can include items such as jewelry, artwork, antiques, vehicles, and other physical objects. Donating personal property also entitles you to a charitable tax deduction, which is maximized when you donate property that: has increased in value since the time you've acquired it; you have owned for more than one year; and the property's use is related to the purpose and work of the station.

RETIREMENT PLANS

If you designate WNIT as a beneficiary of your IRA, 401(k), or 403(b), you will know that every dollar will be used for a charitable purpose and shielded from income or estate taxes. Unless donated to charity, accounts funded with pre-tax earnings like retirement accounts - are often subject to both income and estate taxes.

IRA ACCOUNTS FOR AGES 70+

A special message to those who are 70 and older. It is once again possible to make tax-favored charitable gifts from traditional and Roth IRA accounts. To make such gifts, it is important to not withdraw funds prior to a gift, but have the gift amounts distributed directly from an IRA to the qualified charities. For those with check writing privileges on their accounts, this may be the most efficient way to make gifts directly from an IRA. For more information, contact your IRA administrator or tax advisor.

Daniel burst into super-stardom in the USA back in 2002 with his first ever PBS special - The Daniel O'Donnell Show. That began a special relationship between Daniel and PBS that has endured for 17 years. Now Daniel returns to Michiana with his popular Christmas concert. Celebrate the season with Daniel at Blue Gate Theatre's Shishewana Event Center. WNIT has reserved seats in Rows 11 and 12.

End of Year Tax Planning & Donations

As the year comes to a close, please reflect on making an additional investment in the future of WNIT – an investment in a remarkable brand of television that is here for everyone to enjoy. As a community-owned station, WNIT is an expression of your interests, your curiosity, and your support. Visit wnit.org/give to make your tax-deductible cash contribution before December 31st. You can also make gifts of vehicles or appreciated stock.

Qualified individuals can also make a charitable gift from an IRA through December 31st. This provision allows taxpayers who are age 70 ½ or older to give up to \$100,000 from their IRA to qualifying charities without having to pay income tax on the withdrawn amount. Individuals interested in this type of contribution should consult their tax or financial advisors for more information.

At this special time of year, all of us at WNIT wish you and your family a festive holiday season and a joyous new year. We look forward to serving you in 2020 and remain dedicated to bringing you the best that public television has to offer every single day of the coming year.

THANK YOU WNIT Sustainer Members

A big THANK YOU to WNIT's sustainer members who make automatic ongoing monthly contributions in support of WNIT – Michiana PBS! WNIT Sustainers provide a dependable, ongoing source of funding that allows WNIT to concentrate on airing the quality local and national programs that you enjoy, year after year. If you are a WNIT Sustainer, remember that you also qualify for an annual thank you gift with a pledge level equivalent to your annual gift amount. If you are interested in a thank you gift or becoming a WNIT Sustainer, please call the membership team at 574-675-9648 x311 or x330.

2019 Winter Membership Campaign

WNIT's Winter Membership Campaign starts on Friday, November 29th and runs through Thursday, December 12th. Our on-air Membership Campaigns remain the most effective way of encouraging viewers to join the WNIT family of supporters. While these drives represent less than two percent of our annual broadcast hours, they do provide WNIT with the majority of revenue required to purchase and produce the regular and local programming enjoyed by everyone throughout northern Indiana and southwestern Michigan. Be sure to join us and tell your family and friends why you think supporting WNIT is important, and encourage them to do the same.

PRODUCTION NEWS

Sesame Street 50th Anniversary Celebration Coming to WNIT in November!

It started 50 years ago, a colorful community of monsters, birds, grouches, and humans. A place where everyone counts. It all began in 1969 on a street where colorful Muppets and humans lived – and learned – side by side. Fifty years later, Sesame Street continues to bring people together around the timeless lessons that Sesame Street has always taught: everyone, no matter who they are or where they are from, is equally deserving of respect, opportunity and joy.

Set against the backdrop of the civil rights movement and the war on poverty, *Sesame Street* was created to answer a simple question: could television be used to level the playing field and help prepare less advantaged children for school? The founders tapped educational advisors and researchers, entertainers and television producers, and other visionaries to create what became the longest-running children's show in American television history. Ever since, *Sesame Street* has helped children around the world to learn, feel included and respect others. With a curriculum that evolves to meet the needs of every new generation, it is now a force for good in over 70 languages and 150 countries.

Join WNIT Public Television and Sesame Street on **Sunday, November 17 at 7pm** as we bring people together from streets far and wide to celebrate 50 years and counting of one of the most iconic and beloved television programs ever. The anniversary will bring people together through social impact initiatives, digital campaigns, and community events that reflect *Sesame Street's* unifying messages.

SUPPORTER SPOTLIGHT

JOYCE AND ROGER FOLEY

Joyce and Roger Foley have been WNIT supporters from the very beginning. The initial appeal was the children's programming. They felt that this programming was of great value, not only to their young daughter, but also to the overall community. Over the years, they have enjoyed the various documentaries particularly Ken Burns. They admit to having been hooked on *Downton Abbey* – so much so that on a trip to England a couple of years ago, they made it a point to see Highclere Castle. They feel the quality and range of programs at WNIT make it an invaluable asset to the community.

Joyce and Roger got married after college and moved to the West Coast where Roger worked for Weyerhaeuser. They returned to South Bend so Roger could join his father at Big C Lumber and serve as President and CEO. Joyce worked for the St. Joseph County Prosecutor's office and Superior Court. She was active in Junior League and involved in setting up the YWCA Women's Shelter.

Joyce and Roger live in South Bend and spend several months during the winter in their Naples condo. They enjoy travelling, especially on their trips abroad with their daughter, her husband, and grandkids.

WNIT is grateful for Joyce and Roger's efforts in support of great programming for our community.

DIRECTORS' CIRCLE

The WNIT Directors' Circle represents a very dedicated and select group of individuals who, by their commitment, contribute to the total annual support which is the foundation of WNIT's operating budget. These essential annual contributions make possible the great programs that everyone in Michiana enjoys.
