Hello WNIT Donors:

Are you doing OK? That’s about how I’ve been feeling…OK. I hope you and all your loved ones are staying healthy. I must admit, between the virus crisis and national events, I’m getting worn down and sometimes confused by the onslaught of information. It’s a good thing we have public television for news you can trust and documentaries that lend historical perspective and background to turbulent events.

In addition to the programs we broadcast, our website, wnit.org, features past local and national programs and web-linked resources. At wnit.org, you will find a special Coronavirus section and a Black Lives Matter section that includes resources for parents (or grandparents) to talk to kids about race and racism.

Let the election season begin! We’ll start it off with Independence Day fireworks on A Capitol Fourth, Saturday, July 4th, at 8pm and repeated at 9:30pm, on WNIT, Channel 34.1. As we progress to the August conventions, look for American Experience episodes about Bill Clinton (Tuesdays July 21 and 28 at 8pm) and Ronald Reagan (Tuesdays August 4 and 11 at 8pm). PBS NewsHour will provide coverage of both conventions later in August.

I hope you are discovering WNIT’s 34.2 channel. Public television has such a wealth of great programs, one channel isn’t enough. You will find many programs not shown on our primary channel, 34.1.

This August marks the 100th anniversary of women securing the right to vote, passage of the 19th Amendment. WNIT channel 34.2 will feature programs on August 17th, 19th and 24th featuring women who were champions of women’s rights.

Give yourself a break from the virus and national politics with the 7th season of Endeavour which premieres Sunday, August 9th, 9pm on channel 34.1.

We are excited to be one of the first stations to bring you the regional production, Octave Chanute: Patron Saint of Flight. Chanute was a Chicago engineer who collaborated and competed with the Wright brothers. He tested his wing designs in the Indiana Dunes. This is a great bit of regional history. The producer, Paul Nelson, let me preview his film some months ago before final completion. I immediately said, “Sign us up!”

During the summer, WNIT continues providing supplemental at-home learning materials for students with programs tied to online support, deepening the teaching experience. Stop the “summer slump!”

Thank you for all your support. We had a tremendous Day of Giving at the end of May. 154 member-viewers gave us over $79,000. That’s a big help during this crisis. We appreciate all of you keeping up with your annual membership – either a one-time gift or that easy sustainer plan with smaller monthly gifts. Either way, you support WNIT’s educational mission in Michiana.

Best wishes,

Greg Giczi
President & General Manager
THANK YOU to everyone who participated and supported WNIT in the Day of Giving challenge on May 28th!

We are excited to announce that because of the generosity and outpouring of support, we were able to meet and exceed our $20,500 challenge! A total of $79,240 was raised from 154 donors in support for WNIT. The contributions you made to our campaign will have a huge impact and help to support WNIT as we continue to inspire, educate and unify the viewers we serve.

It is because of "Viewers Like You" that WNIT is able to continue broadcasting award-winning programs and provide the highest quality in educational programming to the children of Michiana. Truly, your commitment to strengthening our mission is essential as we continue to provide exceptional local programming dedicated to enlightening, educating and unifying our communities.

On behalf of everyone at WNIT - PBS for Michiana,

Thank You!

August/September 2020 Membership Campaign

WNIT’s Membership Campaign begins Friday, August 28 and runs through Sunday, September 6. The on-air campaigns remain the most effective way of transitioning viewers to viewer-members. While these campaigns represent less than two percent of our annual broadcast hours, they do provide WNIT the majority of revenue needed to purchase national programs and produce local programs. Did you know it takes approximately $10,000 a day to operate WNIT? Membership campaigns also help provide the revenue necessary to run the station on a daily basis. We hope these special programs will be enjoyed by everyone throughout northern Indiana and southwestern Michigan. Remember to check out the diverse line-up of new fundraising programs. And be sure to tell your family and friends why you think supporting WNIT is important, especially as we all get through these difficult times together.

WNIT is dedicated to exploring issues important to our families, our community and the Michiana region as a whole.

In 2020, we are bringing you more timely and relevant programming and local productions than ever before — productions designed to educate and support Michiana during these challenging times.

From At-Home Learning support to coronavirus information that is specific to our community to taking a deeper look locally at the Black Lives Matter movement, WNIT is tackling the issues with in-depth discussion, inclusive dialogue and a focus on our hometowns to help strengthen the communities that we serve.

The Vote: American Experience to Air on WNIT July 6-7

AMERICAN EXPERIENCE The Vote, a new four-hour, two-part documentary series, tells the dramatic story of the epic — and surprisingly unfamiliar — crusade waged by American women for the right to vote. Focusing primarily on the movement's final decade, the film charts American women's determined march to the ballot box, and illuminates the myriad social, political and cultural obstacles that stood in their path. The Vote delves into the controversies that divided the nation in the early 20th century — gender, race, state's rights, and political power — and reveals the fractious dynamics of social change. The Vote premieres Monday and Tuesday, July 6-7, 2020, 9:00-11:00 p.m. ET on WNIT, PBS.org and the PBS Video App.

The documentary is part of the PBS Trailblazers summer programming lineup honoring the 100th anniversary of the passage of the 19th Amendment of women's suffrage. The series is narrated by Kate Burton and features the voices of the unsung warriors of the movement: Mae Whitman (Alice Paul), Audra McDonald (Ida B. Wells), Laura Linney (Carrie Chapman Catt) and Patricia Clarkson (Harriot Stanton Blatch).

“The hard-fought campaign waged by American women for the right to vote was a truly transformative cultural and political movement, resulting in the largest expansion of voting rights in American history,” said executive producer Susan Bellows. “It’s also a story that has usually been reduced to a single page in the history books. The Vote restores this complex story to its rightful place in our history, providing a rich and clear-eyed look at a movement that resonates as much now as ever.”

American Experience to Present Documentaries on Presidents Clinton and Reagan!

From draft dodging to the Dayton Accords, from Monica Lewinsky to a balanced budget, the presidency of William Jefferson Clinton veered between sordid scandal and grand achievement. In Clinton, AMERICAN EXPERIENCE explores the fascinating story of an American president who rose from a turbulent childhood in Arkansas to become one of the most successful politicians in modern American history and one of the most complex and conflicted characters ever to stride across the public stage. It recounts a career full of accomplishment and rife with scandal, a marriage that would make history and create controversy, and a presidency that would define the crucial and transformative period between the fall of the Berlin Wall and 9/11. It follows Clinton across his two terms as he confronted some of the key forces that would shape the future. Most memorably, it explores how Clinton's conflicted character made history, even as it enraged his enemies and confounded his friends. From Emmy and Peabody Award-winning director Barak Goodman (My Lai), the four-hour Clinton will premiere on WNIT on consecutive Tuesdays, July 21 & 28 at 8pm.

Reagan, a four-hour, two-part biography of the president who saw America as “a shining city on a hill” will have an encore broadcast Tuesday and Wednesday, August 15-16 at 9p.m. on WNIT. This documentary examines Reagan's life through the testimony of family — including Nancy Reagan and three of his children — along with friends, historians, biographers, and other witnesses to Reagan's private life and public career.

Ronald Reagan was America's most ideological president in his rhetoric, yet pragmatic in his actions. He believed in balanced budgets, but never submitted one; hated nuclear weapons, but built them by the thousands; preached family values but presided over a dysfunctional family. His vision of America divided the nation, yet no matter what people thought of him politically, Reagan always won them over personally. “People don’t reckon with the power of charm,” says son Ron Reagan. “When my father turns the high beams on, even somebody like Gorbachev tends to melt.” A seemingly simple man, Ronald Reagan was consistently underestimated by his opponents; one by one, he overcame them all.

WNIT is pleased to recognize the Estate of Jack and Shirley Appleton. The Appleton Estate has been instrumental in helping WNIT launch and sustain its annual WNIT Day of Giving. Working with Howard Emmons, personal representative for the estate, WNIT has established a successful Day of Giving with core matching funds being provided by the Appleton Estate.

Jack H. Appleton and Shirley G. (DeVreese) Appleton were born in Chicago and South Bend, respectively, but each grew up in South Bend and called the city “home.” Jack was a widely recognized artist, known for his realistic and sensitive portrayals of rural Indiana, the University of Notre Dame and European landscapes and architecture. An actor and set designer with the South Bend Civic Theatre, Jack met Shirley, who was working as costume designer. Married in 1962, Shirley left her career as a legal secretary to assist Jack in his art career and became a portrait artist in her own right.

Upon each passing within a couple of months in 2016, Jack and Shirley made arrangements for their estate to continue to have a positive impact on the South Bend region. Their support for not only WNIT but many local non-profits has had a tremendous impact. WNIT thanks Jack and Shirley Appleton for their lasting legacy to our community.

WNIT Passport is a member benefit that provides you with extended access to an on-demand library of quality local and national public television programming. With access to tens of thousands of hours of your favorite programs, WNIT Passport allows you to watch even more episodes of your favorites, including full seasons of many current and past series.
