A Message from Greg Giczi

President and GM, PBS Michiana - WNIT

Hello Enthusiastic PBS Michiana Viewer-Members,

The holidays must just be around the corner. I was shopping for a Get Well card and saw Christmas cards on display! I actually bought one, they had a very cute "from the dog" card I plan to give to my wife (on behalf of our dog). I didn't find one, so far, "from the cat." The holidays are certainly upon us. I will enjoy seeing my neighborhood kids in Halloween costumes; I'm generous with the treats because so few come to our door, and I'm on a diet. Now, we're off running toward Thanksgiving, Hanukkah, Christmas, New Year's, and Super Bowl Sunday.

I thought our September-October program schedule was outstanding and November-December promises more of the same. December will be laced with many holiday specials - I'm particularly pleased with our local ones. You will need to check inside your *PBS Michiana - WNIT Planner* magazine for all the times, but look for these...*The Notre Dame Glee Club & Symphony 2021 Christmas Concert*, *Goshen College Festival of Carols*, *Arts @ IU-South Bend: Raclin Holiday Sock Hop*, the *Nutcracker* from Southold Dance Theater, and *Christmas at Loretto* from the South Bend Chamber Singers. We'll also have the Purdue University holiday special, *Amen! Music of the Black Church* from Indiana University and many other national and regional groups. Be sure to check the schedules for both PBS Michiana-WNIT1 (channel 34.1) and WNIT2 (channel 34.2). Some programs appear on both channels, but each channel has some unique offerings.

Speaking of that unique programming, PBS Michiana - WNIT2 (channel 34.2) will be featuring classic movies on Friday nights at 9 (encores Sundays at 4pm). Flip through the pages of your *PBS Michiana Planner* and pick your favorites. Our very first title will be *The Jackie Robinson Story*.

Vibrant Light: Stained Glass of the Basilica at Notre Dame will premiere on December 18th. Our PBS Michiana production team started working on this in 2020 and was delayed by Covid. This production includes interviews and footage from Le Mans, France, as we show the beauty and tell the story behind the stained glass windows in the Basilica of the Sacred Heart at the University of Notre Dame.

I've focused on our local programs, but there are many national ones to point out, too. I know many viewers are anxiously looking forward to the *Call the Midwife Holiday Special 2021* airing Christmas evening on PBS Michiana-WNIT1. Throughout the month on Sunday nights, we'll be showcasing episodes of Season 1 of *All Creatures Great and Small*. And I can't forget the "Charlie Brown" programs for both Thanksgiving and Christmas.

Thank you for your generosity to all the non-profits you have supported this holiday season. It's still financially tight for all of us as we provide more services while recovering from the pandemic. As your annual gift renewal to PBS Michiana - WNIT comes up, consider adding just a little more for 2022. I recommend our sustainer plan, like I use...just a moderate amount each month adds up to a big gift.

Thank you for everything this year...your viewership, your enthusiasm for our organization, and your gifts. We can't do it without you. Blessings to you and all those you love.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Giczi".

On the Cover

Vibrant Light: Stained Glass of the Basilica at Notre Dame

Over 100,000 visitors each year make their way to the Basilica of the Sacred Heart. Located on the campus of the University of Notre Dame, the Basilica is a reflection of faith and reverence. Forty-four stained glass windows offer beauty and story and are home to one of the world's largest collection of 19th-century French-style stained glass outside of France. The story explores the significance of stained glass through religion, cultural impact, art, design, history and craftsmanship. We'll see the birth of Notre Dame and the art of illuminating stories through powerful images.

Membership Corner

“Thank you for the wonderful work done by WNIT Channel 34 to make our community a better place to live and grow, now and always.
—Mary Ann (South Bend, IN)”

End of Year Tax Planning & Donations

Each and every day you turn to WNIT for news and information you trust. With help from caring viewers like you, WNIT can maintain our role as the most trustworthy source for news, the go-to station for the arts and entertainment, and the only source of curriculum-based educational children's programming. It is our mission, and we stay true to that mission at all times.

As the year comes to a close, help us maintain that mission and continue to serve Michiana by making an additional investment in the future of WNIT. As a community-owned station, WNIT is an expression of your interests, your curiosity, *and* your support. Visit wnit.org/give to make your tax-deductible cash contribution before December 31st. You can also make gifts of vehicles or appreciated stock. Tax receipts for all donations in 2021 will be mailed in January 2022.

Qualified individuals can also make a charitable gift from an IRA through December 31st. This provision allows taxpayers who are age 70 ½ or older to give up to \$100,000 from their IRA to qualifying charities without having to pay income tax on the withdrawn amount. Individuals interested in this type of contribution should consult their tax or financial advisors for more information.

At this special time of year, all of us at WNIT wish you and your family a safe and joyous holiday season and a very happy new year. We look forward to serving you in 2022 and remain dedicated to bringing you the best that public television has to offer now and into the future.

2021 Winter Membership Campaign

WNIT's Winter Membership Campaign starts on Friday, November 26th and runs through Wednesday, December 8th. Our on-air Membership Campaigns remain the most effective way of encouraging viewers to join the WNIT family of supporters. While these drives represent around two percent of our annual broadcast hours, they do provide WNIT with the majority of revenue required to purchase and produce the regular and local programming enjoyed by everyone throughout northern Indiana and southwestern Michigan. Be sure to join us and tell your family and friends why you think supporting WNIT is important, and encourage them to do the same.

**It's Viewers Like You who make a real difference to our community.
THANK YOU for supporting WNIT!**

Vibrant Light: Stained Glass of the Basilica at Notre Dame to air on PBS Michiana - WNIT

Father Edward Sorin came to South Bend in the winter of 1842 to start a college and orphanage. He quickly started building what would become the University of Notre Dame. As a priest of the Congregation of Holy Cross, his mission was to educate the mind and heart. Just five years later and because the campus community had outgrown the log chapel, Fr. Sorin decided to build a larger church. By 1870, there was a need for another, larger church with capacity to seat two thousand people, and so began construction for what is known today as the Basilica of the Sacred Heart. Stained glass was ordered from the Carmel Du Mans Glassworks, a connection dear to Fr. Sorin in Le Mans, France. He ordered 450 square meters of stained glass which was crafted over 11 years. This documentary travels to France to discover the birthplace of the glass and explores what was happening contemporarily in the United States in architectural style and design.

Over 100,000 visitors each year make their way to the Basilica of the Sacred Heart. Located on the campus of the University of Notre Dame, the Basilica is a reflection of faith and reverence. Forty-four stained glass windows offer beauty and story and are home to one of the world's largest collection of 19th-century French-style stained glass outside of France. The story explores the significance of stained glass through religion, cultural impact, art, design, history and craftsmanship. We'll see the birth of Notre Dame and the art of illuminating stories through powerful images.

PBS MICHIANA - WNIT has joined the other public television stations serving Michigan communities in the Michigan Learning Channel (MLC), which was launched this year to deliver instructional content and programming to students, parents and teachers, developed in partnership with leading educators and community leaders.

The Michigan Learning Channel seeks to ensure accessibility to all students, educators and families. The programming schedule is made available to teachers and school administrators to explore possible integration with lesson plans and can be viewed at MichiganLearning.org/schedule or at wnit.org/athomelearning.
