#### A Message from Greg Giczi

President and GM, PBS Michiana - WNIT

Hello Cheerleaders for PBS Michiana-WNIT!

You have made this a great summer of support. Thank you! We added a number of new members and loyal members have been increasing their donations, often by becoming Sustaining Members and giving an amount each month. Our Passport program has seen tremendous growth. You have been terrific!

As we start our fall season, there is so much to share with you. We have so many new and interesting programs, we even added four extra pages to your PBS Michiana-WNIT Planner magazine. Here are a few that caught my attention...

For locally produced programs in September look for the latest installment of *Arts @ IUSB* early in the month, then towards the end *Our Town: La Porte, Women in Leadership*, and *Legends of Michiana: Rafat and Zoreen Ansari*. Each will be shown multiple times during the month between our main PBS Michiana-WNIT program stream and WNIT2. Your *Planner* magazine has all the times you can view.

September national programs are headlined by Ken Burns' *The U.S. and the Holocaust* which runs September 18 – 20. Then a new Masterpiece series, *Van Der Valk* begins on Sunday the 25th at 9pm.

October is the month of baseball's *World Series* and PBS Michiana-WNIT is going to pitch a little baseball ourselves. On Monday, October 3rd, we have the story of one of Indiana's own, *The Best We've Got: The Carl Erskine Story* will be featured at 9pm, followed by *Major League Cuban*.

Parents and grandparents alert, a brand new PBS Kids program arrives in October. *Rosie's Rules* will become part of our Monday-Friday schedule starting Monday, October 3rd. More inside your *Planner*!

Making Black America: Through the Grapevine airs Tuesdays at 9pm beginning October 4th, and on that date it will be followed by Harriet Tubman: Visions of Freedom.

The very popular travel guru, Rick Steves, has a new short series which I think will draw a great deal of interest. *Rick Steves Art of Europe* premieres Monday, October 10th at 10pm. It will run six weeks.

And, there will be plenty of new drama on PBS Michiana-WNIT. *Broadchurch* (season 3) premieres Thursday, October 13th at 10pm. Then circle Sunday, October 16th for premieres of *Miss Scarlet and the Duke* (season 2) at 8pm, *Magpie Murders* at 9pm, and *Annika* at 10pm. With a line-up like that, I don't think Sunday Night Football will have many viewers unless the Bears, Colts or Lions are playing!

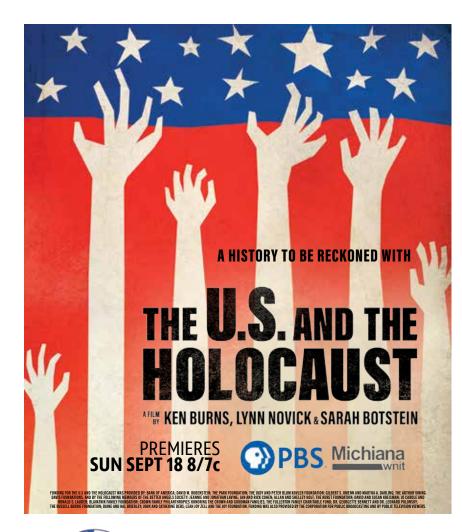

I've only mentioned a few of the great, fresh programs that will be coming to you in September and October. Now you can see why we needed to add four pages to this *Planner* magazine! Look through it, and keep it handy near your remote.

All of this programming happens because of you. You watch it and support it. Thank you so very, very much. Have a great start to a beautiful Michiana autumn.

Sincerely,

Greg Giczi

President & General Manager

### NEW DOCUMENTARY SERIES, MAKING BLACK AMERICA, COMING TO PBS MICHIANA – WNIT

Making Black America: Through the Grapevine, a four-part series from executive producer, host and writer Professor Henry Louis Gates, Jr., will premiere on PBS Michiana – WNIT, Tuesdays, October 4th through 25th at 9 p.m. In this latest series from the acclaimed Harvard scholar and documentarian, Gates and director Stacey L. Holman chronicle the vast social networks and organizations created by and for Black people beyond the reach of the "White gaze." The series recounts the establishment of the Prince Hall Masons in 1775 through the formation of all-Black towns and business districts, Historically Black Colleges and Universities, destinations for leisure, and the social media phenomenon of Black Twitter. Gates sits with noted scholars, politicians, cultural leaders and old friends to discuss this world behind the color line and what it looks like today. *Making Black America* takes viewers into an extraordinary world that showcased Black people's ability to collectively prosper, defy white supremacy and define Blackness in ways that transformed America itself.

In *Making Black America*, Gates, the Alphonse Fletcher University Professor at Harvard University and director of the Hutchins Center for African and African American Research, joins in intimate conversation with Black thought leaders and community members, as well as interviews with leading historians and other experts, to examine many themes within the Black American experience. The documentary surveys slavery, freedom, and the contours of the bind between North and South; continues with Reconstruction and life under Jim Crow rule; and demonstrates – through personal and historical stories – the status of the ongoing effort to organize and achieve goals first set during slavery.

### THE U.S. AND THE HOLOCAUST TO PREMIERE SEPTEMBER 18 ON PBS MICHIANA – WNIT

The U.S. and the Holocaust, a new three-part documentary directed and produced by Ken Burns, Lynn Novick and Sarah Botstein, explores America's response to one of the greatest humanitarian crises in history. The series will air September 18, 19 and 20, at 8:00 p.m. on PBS Michiana - WNIT, PBS.org and the PBS Video app.

Inspired in part by the United States Holocaust Memorial Museum's "Americans and the Holocaust" exhibition and supported by its historical resources, the film examines the rise of Hitler and Nazism in Germany in the context of global antisemitism and racism, the eugenics movement in the United States and race laws in the American south. The series, written by Geoffrey Ward, sheds light on what the U.S. government and American people knew and did as the catastrophe unfolded in Europe.

Combining the first-person accounts of Holocaust witnesses and survivors and interviews with leading historians and writers, *The U.S. and the Holocaust* dispels competing myths that Americans either were ignorant of the unspeakable persecution that Jews and other targeted minorities faced in Europe or that they looked on with callous indifference. The film tackles a range of questions that remain essential to our society today, including how racism influences policies related to immigration and refugees as well as how governments and people respond to the rise of authoritarian states that manipulate history and facts to consolidate power.
