A Message from Greg Giczi

President and GM, PBS Michiana - WNIT

Dear Connoisseurs of Fine Programming,

I never go a day without thinking of all of you...how much I appreciate you and ways PBS Michiana-WNIT can serve you better. Thanks for your notes and words of encouragement for what we do.

Soon after you received your last *Planner* magazine, one of the earliest advocates for a system of public broadcasting stations died. Newton Minow passed away on May 6th at age 97. You may remember him by one of his most famous quotes as head of the Federal Communications Commission, "Television is a vast wasteland." Years later, reflecting on that quote, he said this to Judy Woodruff during an interview, "And what I envisioned has – my dream has been fulfilled. When I see the programs like the *NewsHour*, when I see what Ken Burns has created, when I see *Sesame Street*, I say this is what I hoped would happen, and we more than fulfilled my dream."

Speaking of quality programming, PBS Michiana-WNIT has a great deal to offer these next two months. Starting off on July 2nd at 9pm, *Endeavor* is ending after 9 seasons. On the 4th, enjoy PBS Michiana - WNIT's most popular program of the year, *A Capitol Fourth* from our nation's capitol. July's *Arts @ IUSB* will be on Thursday the 27th at 8pm. I'm a Doobie Brothers fan (from way back) and am looking forward to a repeat of their 50th anniversary special on July 28th at 10pm. You will also notice that the *Frankie Drake Mysteries* have returned to our Sunday and Thursday schedule while we give *Father Brown* a rest for the summer.

I don't know where to start in August! The final episode of this season of *Grantchester* will be broadcast on Sunday, August 6th at 10pm. *Great American Recipe* will also be ending its season that following Monday at 9pm. August's episode of *Arts @ IUSB* will be on Thursday, August 10th at 8pm when "New Voices of Michiana" will be featured. Sunday, the 13th at 6:30pm, I think you will really enjoy *Broadway's Brightest Lights*. Leonard Bernstein composed three symphonies during his lifetime. His "Kaddish Symphony" will be presented on Monday, August 21st at 9pm. That following Thursday, the 24th, look for the PBS Michiana - WNIT original production of *Remember When: Playland Park*. At the end of the month, on Thursday the 31st at 8pm, we will present a premiere international event held at Notre Dame, the *Fischhoff Gold Medal Concert*, wheew! What a month!

Naturally, you can find many more interesting programs and a lot more detail of the programs I have highlighted.

Next year, PBS Michiana - WNIT celebrates 50 years of broadcasting. How would you like to celebrate with us? What events should we have? Send me your ideas.

Your viewership and support is greatly appreciated. Enjoy the balance of summer and don't miss those great programs I've suggested!

Best wishes,

A handwritten signature in black ink, appearing to read "Greg Giczi". The signature is fluid and cursive, with a large, stylized "G" and "G".

Explore and play all summer long with a variety of free resources from PBS KIDS.
Spark curiosity and creativity with hands-on activities and games
supporting literacy, math, science, and fun.

Here are a few quick tips to help keep your kids excited about learning this season:

- Ask lots of questions. Encourage your kids to participate in conversations by asking them questions like: "Why do you think that happened? What will happen next?"
- Encourage kids to search for answers. When your children ask you "why?" see if you can work together to figure out what they need to know or do to find the answer.

- Try something new. Summer is a great time to try new things like reading a new kind of book, tasting a new food or exploring a new park.
- Just have fun. Summertime comes along only once a year, so make sure to have fun while you're learning.

Learning and Fun all Summer Long!

Keep students engaged in learning over the summer. The Michigan Learning Channel's 8-week summer program has everything kids need to continue building their brains and learning key concepts that will help them succeed in school. From preschool to 6th Grade, each grade has 2-3 hours of video lessons per week, plus a fun and interactive activity book. Local events and special broadcasts around our 8 weekly themes help pique kids' interest. All programs are available on broadcast television and on-demand online.

For detailed programming, see the summer schedule at:
michiganlearning.org/schedule

Download PDF files of our full activity books to print at home:
michiganlearning.org/summeroffun

Lessons by Week:

July 3 - 9: Sports and Games
Get serious about fun pastimes, from soccer to Sudoku.

July 10 - 16: Engineering
Tinker, design, build, rebuild, and find engineering everywhere.

July 17 - 23: Our Stories
From legends to our everyday lives, stories shape who we are.

July 24 - 30: Great Lakes
Dive in and explore the lakes that make Michigan special.

July 31 - August 6: Around the World
Experience food, art, music, and cultures from around the globe.

August 7 - 13: Space
Meet astronauts and virtually visit the planets and stars.

34.5 - Over the Air
Comcast - 1160

Did you know we accept land, homes, vacation cottages, rental property, commercial real estate, and estates?

Now Accepting Property Donations

WNIT partners with CARS (Charitable Adult Rides & Services) to process donations in the form of real estate assets. Properties in any location, condition, and format are eligible for donation to WNIT. Back taxes, mortgage balances, and deferred maintenance do not prohibit your ability to donate. Our program covers all loans, liens, commissions, and closing costs so long as there is equity in the property.

If you have a land, residential, or commercial real estate asset that is unused or costing you money, consider giving back to the station you love by donating it to WNIT. As a result, you may also be eligible for a significant tax deduction!

Go to wnit.org/realestate to learn more.

EducationCounts_Michiana

WNIT's *EducationCounts_Michiana* is a weekly program series and internet-based resource that covers learning from birth to retirement, and all ages in between.

EducationCounts_Michiana highlights positive examples of learning across formal and informal spaces in our region and explores and discusses issues facing the education and industry (workforce development) sectors in Indiana and Michigan. The program brings factual information, identifies problems and explains their complexity to help bring understanding and collaboration to find solutions.
