## A Message from Greg Giczi

President and GM, PBS Michiana - WNIT

Dear PBS Michiana Super Users,

The party has started! We launched our year of celebrations on January 31<sup>st</sup>, 2024 which marked the 50<sup>th</sup> anniversary of our first broadcast in 1974. Thank you to everyone who has supported us in our journey. We plan to have events throughout our broadcast area in the coming months. I hope I get to meet you at one of them.

I was watching a station other than PBS Michiana-WNIT on February 11<sup>th</sup>. That was Super Bowl Sunday and I watched the game on a NextGen TV channel. The pictures were stunning, a cut above high definition. Next Gen TV is the new broadcast technology that is to eventually replace our current HD standard. PBS Michiana-WNIT's primary channel is already broadcasting in this new format. It takes the spectacular photography in programs like *Nature* to whole new level. Just dazzling!

We've got great programs to go along with those great looking pictures. March is Women's Heritage Month, and we will bring back our favorite episodes from our local *Women in Leadership* series of programs. Look for them Wednesdays at 7:30pm. As a little boy, I loved trains, so *Epic Train Journeys from Above* caught my attention. It premieres Thursday, March 14<sup>th</sup> at 10pm. You will be staying up late on Sunday evenings. Five new dramas premiere on March 17<sup>th</sup>. Then on the 18<sup>th</sup> and 19<sup>th</sup>, *Dante: Inferno to Paradise* airs.

April is loaded with "good stuff" too. Each Monday at 9pm PBS Michiana-WNIT presents a new episode of a 4-part series about the former House of David in Benton Harbor, Michigan. The last two episodes focus on their baseball team which traveled nationally. It's very interesting local history! The series *Julius Caesar: Making of a Dictator* will come your way Tuesdays at 9pm, *A Brief History of the Future* will be on Wednesdays at 9pm, and *Mr. Bates vs the Post Office* premieres Monday, April 7<sup>th</sup> at 9pm.

Once a month, starting Saturday, April 6<sup>th</sup>, at 10pm Michiana-WNIT is thrilled to present *The Wild Rose Moon Hour* television show. Produced in Plymouth from live performances at the Wild Rose Moon in downtown Plymouth, this hour-long show features local and regional music talent. It will air just before *Austin City Limits*. Our ambition is to create an ongoing time period to feature local music.

I hope I can count on you to help launch PBS Michiana-WNIT into our next 50 years of service. It will certainly be different. We think we must increase our local original programming. What local programs and topics are most important to you and your community? Drop me a note!

We have a lot of interesting, informative and entertaining programming coming your way in the next two months. We're able to provide them because of your support. Thank you for everything. Happy viewing!

Sincerely,

A handwritten signature in black ink, appearing to read 'Greg Giczi', written in a cursive style.
