Amanda Miller Kelley President and General Manager PBS Michiana – WNIT

Dear Friends of PBS Michiana – WNIT:

As we head into fall—and the first months of our new fiscal year—I am reminded how this really is a new chapter for public media. We are now entirely BY the people, and we have always been FOR the people. We're grounded in both community and history, and looking forward to what's to come.

With that in mind, it feels especially relevant that this Planner's cover features the latest monumental work from Ken Burns: *The American Revolution*. This is a deep, unflinching look at the origins of our nation—the ideals that launched it, the divisions that challenged it, and the complex human stories that shaped its legacy. And, like everything Ken Burns does, it is a deeply researched, beautifully told series that will spark meaningful conversations across the country and right here at home. Mark your calendars; you won't want to miss this one.

On a more personal note, I want to thank all of you for how this community has responded to our recent challenges. In the face of a \$1.3 million loss, your immediate response has been absolutely extraordinary. The outpouring of support has been a lifeline, resulting in a growth of more than \$500,000 in donations from last year. Between community donations and our necessary budget reductions, we're heading into this new fiscal year with confidence and optimism. We have made massive progress, thanks entirely to this community and the generosity you've shown us. Your response has allowed us to regroup, focus on our core mission, and navigate this totally unprecedented challenge with stability and hope. You have shown us the true meaning of partnership.

And, since we've now covered both community and history, I'm excited to share something that fits both those themes: we're excited to invite you to come back to our roots with us at 8PM on Thanksgiving with an old-school national telethon, called *We ♥ Public Media*. Brush off your landlines and get ready for this star-studded national celebration of all we do, featuring appearances by people like Ziggy Marley, Jamie Lee Curtis, Joe Bonamassa, Celtic Women, and so many more. It's a fun, nostalgic and exciting way to reinforce the power of public media and make a gift.

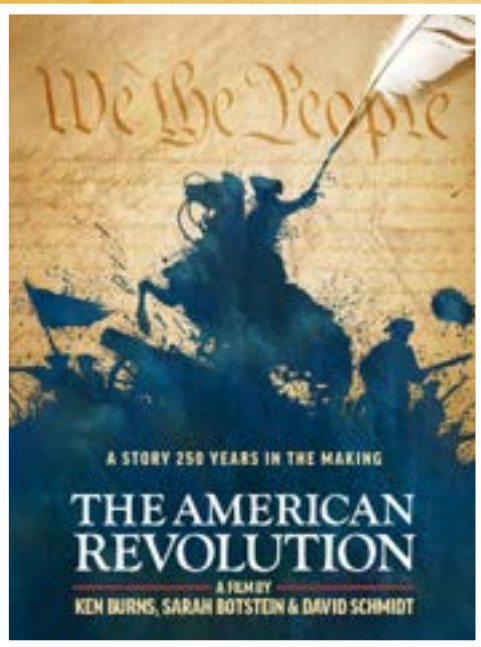

You'll find a few more ways you can support us listed in this Planner, too—the PBS Michiana merch store (with some new drops!) and our work-for-hire program. If you want to wear your love for WNIT or hire our talented production team for a project, you'll find details right in this issue.

Finally, I hope you'll join me in celebrating a very significant milestone for one of our own. (We'll file this under our "community" theme, because she'd kill me if she thought I'd listed this as "history.") This month marks Jody Freid's 30th anniversary with the station. Jody is synonymous with PBS Michiana—she has been a consistent, dedicated, and invaluable presence, fostering relationships with the businesses and partners who make our programming possible. Three decades is a remarkable achievement, and we are so lucky to have her positive spirit and her expertise here on our team.

Thank you, again, for your dedication to PBS Michiana – WNIT. Your support makes everything we do possible.

With sincere gratitude,

Amanda Miller Kelley
President & General Manager

On the Cover

The American Revolution, a new six-part, 12-hour documentary series, examines how America's founding turned the world upside-down.

Thirteen British colonies on the Atlantic Coast rose in rebellion, won their independence, and established a new form of government that radically reshaped the continent and inspired centuries of democratic movements around the globe.

The Revolution began a movement for people around the world to imagine new and better futures for themselves, their nations, and for humanity. It declared American independence with promises that we continue to strive for. The American Revolution opened the door to advance civil liberties and human rights, and it asked questions that we are still trying to answer today.

***The American Revolution* premieres
Sunday, November 16th at 8/7c.**

A More Perfect Union examines how we think about America's founding and how the ideas and values articulated 250 years ago remain relevant to conversations about governance today. It features Ken Burns in conversation with Jeffrey Rosen, Melody Barnes and Yuval Levin, among others. The discussion explores essential themes such as liberty, equality, democracy, separation of powers, and civil rights.

At a time of profound political polarization, this special aims to inspire and unite Americans through a renewed civic conversation rooted in the founding principles of the Declaration of Independence, the Constitution, and the American idea.

Premieres Monday, November 24 at 9pm

Together We Can (K-2) is a unique live-action music video series that supports children as they move through the developmental stages of “me” (a focus on the self) to “we” (a focus on the self and immediate other), to “us” (a focus on their wider surroundings). Through fun, upbeat, and engaging songs, this series explores ideas and concepts about American Democracy and Civics.

END OF YEAR TAX PLANNING & DONATIONS

For over fifty years, you have turned to WNIT for news and information you trust. As we look to the future and being 100% community-funded, with help from caring viewer-donors like you WNIT can maintain our role as the most trustworthy source for news, the go-to station for the arts and entertainment, and the only source of curriculum-based educational children's programming. It is our mission and we stay true to that mission at all times.

As we close out 2025, please consider helping us maintain that mission by making an additional investment in the future of PBS Michiana – WNIT. Visit wnit.org/give to make your tax-deductible cash contribution before December 31st. You can also make gifts of vehicles or appreciated stock. Tax receipts for all donations in 2025 will be mailed in January, 2026.

Qualified individuals can also make a charitable gift from an IRA through December 31st. This provision allows taxpayers who are age 70 ½ or older to give up to \$100,000 from their IRA to qualifying charities without having to pay income tax on the withdrawn amount. Individuals interested in this type of contribution should consult their tax or financial advisors for more information.

During this special time of year, all of us at WNIT extend our best wishes to you and your family for a safe and joyous holiday season and a very happy new year. We look forward to serving you in 2026 and remain dedicated to bringing you the best that public television has to offer now and into the future.

Interactive and Digital Planner

As you may know, Federal and State funding cuts have forced us to eliminate the printed version of the Planner.

Throughout 2026 we will be developing the Planner to deliver you a digital-only experience you can enjoy.

In the spirit of our organization, let's learn and grow together, embracing the challenges with a positive mindset and capturing all the possibilities!
