A MESSAGE FROM GREG GICZI President and GM, WNIT Public Television

Hello Avid WNIT Viewers/Donors —

Happy Holidays! This is our last WNIT *Planner* of 2017 and we certainly do have a lot of holidays to celebrate in the next few months, so I think a holiday greeting is appropriate.

November and December are months when people are typically more generous. As you open your hearts to family, friends and organizations you admire, please consider WNIT Public Television for a special year-end gift. We have many needs, large and small, but they all go to support your community-owned media organization dedicated to early childhood education, lifelong learning and community service. WNIT's educationally inspired content is available free to all in our 10-county broadcast area. If this happens to be a year when you are considering a very large gift or planning your estate, please call me personally and let me suggest some exciting projects where you can make a significant community impact.

If you are unable to make a year-end gift, do the next best thing. Please bring WNIT a new donor/member or two. Because we are there 24/7, I believe most people take us for granted. Less than 5% of WNIT viewers support our service with a donation. Yet, nearly everyone watches some of our programming during the course of a month. Please encourage your friends that are avid viewers to help out. Sustaining memberships start at only \$5 per month, which includes the WNIT Passport member benefit.

You will see for yourself, as you browse through this WNIT *Planner*, all the exciting local programming coming up in the next two months. It will include two *Our Town* specials. Stories of Benton Harbor will be featured Monday, November 27 at 8pm (repeated at 9:30pm), then we will go across the river and feature St. Joseph, MI, on Monday, December 4 at 8pm (repeats at 9:30pm). The *Our Town* series of programs are among the most popular local programs we produce.

Other programs you may want to highlight in the *Planner* include *Anne of Green Gables: The Good Stars* on Thanksgiving evening at 8pm, *The Beatles: Eight Days a Week – the Touring Years* premiering on Saturday, November 25 at 8pm, as well as numerous holiday musical specials in December.

Thank you for your viewership this past year and the financial support that came with it. For all the holidays we will be celebrating these next two months, all of us at WNIT wish you happy times. Blessings to you and your family as we close 2017 and welcome 2018.

Best wishes,

Greg Giczi
President & General Manager

MEMBERSHIP CORNER

2017 Winter Membership Campaign

WNIT's Winter Membership Campaign starts on Thursday, November 23 and runs through Thursday, December 7. Our on-air membership campaigns remain the most effective way of encouraging viewers to join the WNIT family of supporters. While these drives represent less than two percent of our annual broadcast hours, they provide WNIT with the majority of revenue required to purchase and produce the regular and local programming enjoyed by everyone throughout northern Indiana and southwestern Michigan. WNIT has an exciting line-up of new programs, including ticket offers to some Michiana favorites! Be sure to join us and tell your family and friends why you think supporting WNIT is important.

It's viewer-members like you who make a real difference to everyone in our community. Thank you for supporting WNIT!

End of Year Tax Planning & Donations

As the year comes to a close, please consider making an additional investment in the future of WNIT – an investment in a remarkable brand of television that is here for everyone to enjoy. As a community-owned station, WNIT is a reflection of your interests, your curiosity, and your support. Visit wnit.org/donate to make your tax-deductible cash contribution before December 31. You can also make gifts of vehicles or appreciated stock.

Qualified individuals can also make a charitable gift from an IRA through December 31. This provision allows taxpayers who are age 70½ or older to give up to \$100,000 from their IRA to qualifying charities without having to pay income tax on the withdrawn amount. Individuals interested in this type of contribution should consult their tax or financial advisors for more information.

At this special time of year, all of us at WNIT wish you and your family a festive holiday season and a joyous new year. We look forward to serving you in 2018 and remain dedicated to bringing you the best that public television has to offer.

Donate Your Vehicle to WNIT!

When you donate a vehicle to benefit WNIT, you actually turn your car into the programs you rely on and love. Donate your vehicle and we'll use the proceeds to support your favorite programs like *Sesame Street* and *Antiques Roadshow* as well as local programs like *Education Counts Michiana* and *Experience Michiana*. WNIT accepts any vehicle, running or not. Donate your car, truck, motorcycle or RV and your vehicle is towed free of charge. The donation is also eligible for a tax deduction. We work with our public television colleagues at Car Talk Vehicle Donation Services to ensure that your donation delivers the highest possible revenue to WNIT and that your experience is convenient, efficient and even fun. If you have any questions about the vehicle donation process, please don't hesitate to reach out to our vehicle experts at 855-777-8288 or 401-808-8274.

Daniel O'Donnell Back Home Again

*Friday, February 23, 2018 at 7pm
Blue Gate Theatre / Shippshewana Event Center, Shippshewana, IN*

Daniel burst into super-stardom in the USA back in 2002 with his first ever PBS special - *The Daniel O'Donnell Show*. That began a special relationship between Daniel and PBS that has endured for 15 years. Now Daniel returns to Michiana performing everything from traditional Irish folk songs, a little honky-tonk flavor, songs of faith to songs of love, a little bit of country and a little bit of rock and roll. He always does it with boundless enthusiasm and an open heart. WNIT will offer tickets during *Christmas with Daniel O'Donnell* on Wednesday, November 29 at 8pm on 34.1.

PRODUCTION NEWS

The Beatles: Eight Days a Week – The Touring Years

The moment is February 9, 1964, at 8:12 p.m. EST. After a brief commercial break, four young men from Liverpool step onto the stage of *The Ed Sullivan Show*, changing culture forever. Seventy-three million people watched The Beatles perform that night — the largest television audience to date anywhere. This was the event that introduced The Beatles to America. But what the band did next would introduce them to the entire world, permanently transforming the music industry, forever ingraining them into the fabric of popular culture.

They went on tour.

From June 1962 to the time the band quit the stage in August 1966, The Beatles performed a staggering 815 times in 15 different countries and 90 cities around the world. This incredible period gave birth to “Beatlemania,” and showed the world something completely new: youth-culture unchained!

From Academy Award®-winning director Ron Howard, *The Beatles: Eight Days a Week – The Touring Years* tells the story of these exceptional years from the point of view of the band, the world and the fans. The GRAMMY®-winning film explores the inner workings of The Beatles — how they made decisions, created their music and built an astonishing collective career together. The band rode this tidal wave of energy for four incredible years, and then, almost as suddenly as their arrival on the world scene, they quit touring to focus their creativity in the studio. The film tells that amazing story, as well as the story of how, just months after leaving the stage at their very peak, The Beatles again changed the world by recording the groundbreaking album, Sgt. Pepper’s Lonely Hearts Club Band.

“Just like our

travels, PBS has given us a broader view of the world.”

Sheila and Larry Haney believe that public television gives everyone the chance to explore new worlds. They feel it's important to help keep public television available for future generations. That's why they've included their PBS station in their will.

IN MEMORIAM

Jodie A. Cocquyt

WNIT Public Television mourns the loss of Jodie A. Cocquyt. Jodie was a great, longtime supporter of WNIT Public Television who loved *Masterpiece Mystery*, *PBS NewsHour* and *Nature*.

Jodie was a loving, nurturing, devoted wife, mother, grandmother, sister, friend and animal lover. She was known for her detail in fashion, interior design and entertaining, was an avid reader who loved history, enjoyed watching NASCAR and college football. WNIT expresses our condolences to Jodie's family and loved ones.

Maritza Robles

WNIT Public Television honors the life of Maritza Robles, WNIT board member, community leader and advocate for those in need. Maritza began her career with the South Bend Community School Corporation serving as the Director of Bilingual Services from 1981 until her retirement in 2012. She was a member of South Bend School Board, founder of New Discoveries Preschool, member of the South Bend Community Hall of Fame and served on numerous other boards throughout the community. We are all better for having known her, and she will be greatly missed by the community.

Reassurance is a two-way street.

When a child is in the hospital for weeks or even months, they need their loved ones nearby. To help us keep families close in their time of need, please visit rmchmichiana.org.
